

GMDSS front panel for Mass 24/75, 24/100 & 24/100-3ph

Product code: 21709300

Digital Volt and Ampere meter for Mass 24/75, Mass 24/100 and Mass 24/100-3ph, in front panel.

Professional users will benefit from a front display with GMDSS alarm functions.

GMDSS stands for Global Maritime Distress and Safety System, an internationally agreed-upon set of safety procedures, types of equipment, and communication protocols that is a requirement for the SOLAS (Safety Of Life At Sea) convention and uses DSC and satellite communication.

Battery voltage and current are displayed on the digital panel.
